*Freehold Township Education Foundation*

*proudly presents*

*Monte Carlo Night 6*

Dear Friends of the FTEF,

Welcome to Monte Carlo Night VI, the annual gala hosted by the Freehold Township Education Foundation. Monte Carlo Night is our biggest fundraiser, and we're so grateful for your support as we promote excellence in education. Tonight, we hope you meet other FTEF supporters, win fabulous prizes, and have a wonderful time while raising money to support our mission.

We extend our deepest thanks to the businesses and families who supported this event through sponsorships, gift basket contributions, and program ads. Your overwhelming generosity is essential to tonight's success. Please take note of our donors and support them as they have supported us.

Our Monte Carlo Night VI Committee is amazing and deserves many, many heartfelt thanks:

Linda Altini	Tracy Arce	Thomas Assenza	Denise Bartone
Peggy Bruno	Vince Bruno	Suzanne Corson	Nicole Diaz
Shanna Federici	Jen Gerstenberg	Beth Grossman	Andrew Kaplan
Suzanne Kirby	Elisa Lemberger	Kristin Lubin	Maureen McCann
Sharon Mousselli	Susan O'Connor	Hetal Patel	Karen Preston
Megan Romero	Michelle Rosen	Ronnie Rosen	Sandy Rosen
Kerri Simons	Lynne Stokes	John Zalepka	

Thank you to everyone else who sold 50/50 tickets or otherwise helped out along the way.

We extend special thank yous to the following individuals, whose extra effort cannot go unmentioned: Kerri Simons is the financial brains behind this fundraiser; she also created the stunning centerpieces on your tables and led our phenomenal basket wrapping team. Karen Preston has done a fabulous job as the 50/50 Chair two years in a row, and we are so grateful for her efforts. Jennifer Gerstenberg arranged this Event Program beautifully and expertly. Nicole Diaz coordinated ticket registration and seating with dedication and great attention to detail. Andrew Kaplan and Maureen McCann did a wonderful job securing our online donations. Susan O'Connor has been an incredible help as our School Liaison Coordinator. Thank you Doreen Bierman, Nicole Boyce, Jen Gerstenberg, and Lynne Stokes for your guidance as past-MCN Chairs. Finally, THANK YOU to Denise Bartone, FTEF Chair, who is the strength behind the FTEF. Without Denise, our boat would have no rudder, no captain, no sails, and no anchor. It is a privilege to work with you.

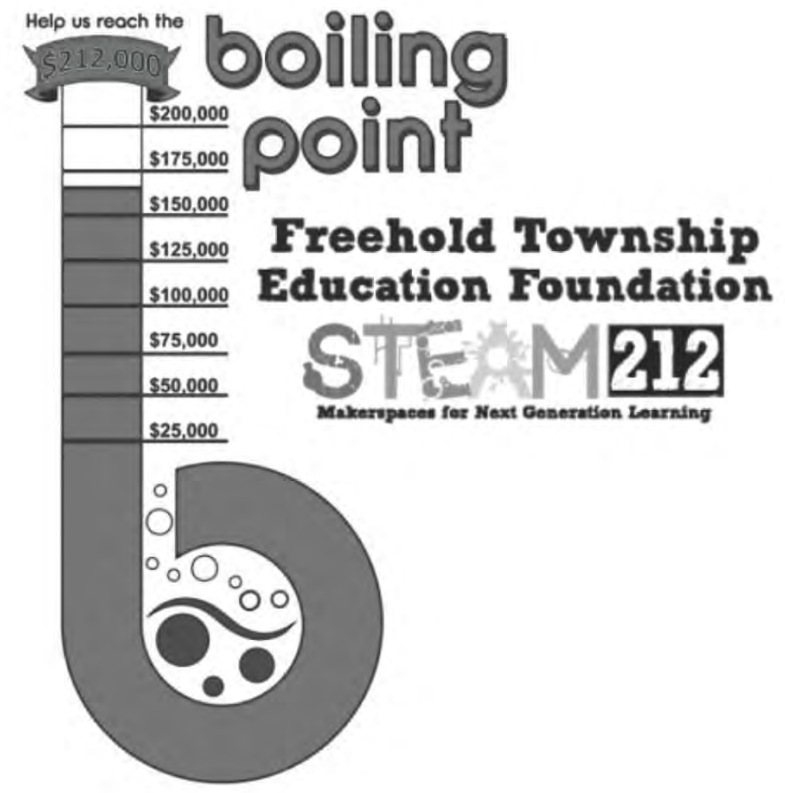

Thank you for giving us the opportunity to bring all of you together tonight. Let the good times roll!

Sincerely,  
Kira & Evan Dabby

Dear Friends,

Thank you for joining us at our 6th Annual Monte Carlo Night, supporting excellence in education in Freehold Township Schools.

After a successful event last year that raised \$43,000 for our schools, Kira and Evan Dabby took on the monumental task of Co-Chairing Monte Carlo Night for the second time. For more than six months, they have worked countless hours with a very hard-working team to make sure this is a fun and successful evening. Please join me in thanking Kira, Evan and their dedicated committee. I could not be prouder or more grateful to work with them and to call them my colleagues and friends.

Thank you to all of our sponsors and donors for sharing our commitment to making our community a better place to live, work and raise our families. We could not be successful without them and I hope you will support them in appreciation of their generosity.

We are just \$40,000 away from our goal of raising \$212,000 for our STEAM212 initiative! We are looking forward to reaching the finish line by the end of this school year, thanks to your generosity. Tonight's proceeds will also help fund our William J. Setaro Building Blocks for Innovation Grants, through which we encourage cutting-edge programs driven by our outstanding teachers.

Since 2009, we've raised over \$400,000 for district wide programs like *ConnectUs!* and *STEAM212*, in addition to innovative grants at our 8 elementary and middle schools. Please visit [www.ftefnj.org](http://www.ftefnj.org) or email me for more information on how you can be a part of something great, and have a direct impact on the education that Freehold Township students receive. We'd love to have you join us!

The FTEF is proud to help make our already amazing schools even better, and we are so very grateful for your continued support. Enjoy the night and good luck!

Sincerely,

Denise Bartone, Chair

## Knowledge. Experience. Integrity.

Always insist on the designated difference in real estate valuation.

Risk and return. The stakes are always high in real estate investments. That's why real estate analysis and appraisal services are always critical.

It's also why you should always use an Appraisal Institute designated professional. The **MAI** designation behind my name stands for advanced knowledge. For years of proven real-life real estate valuation experience. And for a commitment to strict professional ethics and standards.
